Pever and Ague is not alone the consequence of the miasmatic poison. A great variety of disorders arise from its irritation, among which are Neuralgia, Rheumatism, Gout, Headache Blindness, Toothache, Earache, Catarrh, Asth ma, Palpitation, Painful Affection of the Spleen, Hysterics, Pain in the Bowels, Colic, Paralysis, and Derangement of the Stomach, all of which, when originating in this cause, put on the intermittent type, or become periodical. This "CURB" expels the poison from the blood, and consequently cures them all alike. It is an invaluable protection to immigrants and persons travelling or temporarily residing in the malarious districts. If taken occasionally or daily while exposed to the in-fection, that will be excreted from the system, and cannot accumulate in sufficient quantity to ripen into disease. Hence it is even more valuable for protection than cure, and few will ever suffer from Intermittents, if they avail themselves of the protection this remedy sf-

Ayer's Cathartic Pills, FOR ALL THE PURPOSES OF A FAMILY PHYSIQ.

FOR ALL THE PURPOSES OF A FAMILY PHYSIO, are so composed that disease within the range of their action can rarely withstand or evade them. Their penetrating properties search, and cleanes, and invigorate every portion of the human organism, correcting its diseased action, and restering its healthy vitalities. As a consequence of these properties, the invalid who is bowed down with pain or physical debility is autonished to find his health or energy restored by a remedy at once se simple and inviting.

Not only do they cure the every-day complains of every body, but also many formidable and dangerous diseases. The agent below named is pleased to furnish gratis my American Almana, containing certificates of their cures and directions for their use in the following complaints: Costinness, Heartburn, Headache artising from disorderal Stomach, Nausea, Indigestion, Pain is and Morbid Inaction of the Bowels, Flatulency, Loss of Appetite, Januaice, and other kindred complaint, arising from a low state of the body or observation of its functions. every section of obentry abounds in persons publicly known, who have been restored from alarming
and even desperate diseases of the image by its
use. When once tried, its superiority over every
other medicine of its kind is too apparent to escape
observation, and where its virtues are known, the
public no longer heaitate what antidote to employ
for the distressing and dangerous affections of the
pulmonary organs that are incident to our elimats.
While many inferior remedies thrust upon the
community have failed and been discarded, this
has gained friends by every trial, conferred benefits
on the afflicted they can never forget, and praduced cures too numerous and too remarkable to
be forgotten.
